

FOR IMMEDIATE RELEASE

Kim LaBreche Hit Amazon Best-Seller List With “Boom!”

High performance coach, author and entrepreneur Kim LaBreche recently hit two Amazon.com best-seller lists with the new book, “Boom!”

South Surrey, BC, Canada – June 15, 2015 –Kim LaBreche has joined a select group of entrepreneurs from around the world, along with international best-selling author and keynote speaker [Mark Victor Hansen](#) (Chicken Soup for the Soul), to co-write the forthcoming book titled, *Boom!: The World's Leading Entrepreneurs and Professionals Reveal Their Secrets to Improving Your Health, Wealth and Lifestyle Through Their Explosive Techniques*. The book was published by CelebrityPress™ and released on May 21, 2015.

On the day of release, *Boom* reached best-seller status in two Amazon.com categories - reaching as high as #3 in the category “Direct Marketing,” as well as #13 in “Marketing for Small Business.” Kim LaBreche contributed a chapter titled “Is There Anything Going on in May? A Simple Question With a Life-Changing Impact”

Celebrity Press® describes the book:

BOOM! Everyone searches for success. While our ideas of success differ, a typical entrepreneur will define success in terms of accomplishing worthy goals-often accompanied by an improvement in their financial and social position.

It is recognized in the business community that success is a direct result of passionate commitment, organized planning, constructive action and perseverance. However, by definition, the word BOOM suggests the creation of something BIG, immediate and successful! In addition, BOOM may also mean "increase" in economic terms, another typical measure of success.

So what are your plans? If you wish to mimic the actions that successful people like the Celebrity Experts® in this book take to make progress towards their goals, and also take advantage of their experiences, here is a good opportunity to understand their mindset - which often covers the "what to do" as well as the "what not to do." As you know, at times the latter is more important than the former.

If you wish to create something BIG, immediate and successful, as well as to enjoy the "increase" you can create, you will find many pointers in this book. These Celebrity Experts® share their experiences and teachings thoughtfully. They can guide you "to the finish line" much faster than if you have to start your journey to success on your own.

After such a successful release, Kim LaBreche will be recognized by [The National Academy of Best-Selling Authors™](#), an organization that honours authors from many of the leading independent best-seller lists.
