

# SERVICE OPTIONS

**Delivery:** We offer a wide delivery range including all of Georgia and even bordering states upon request. Our kitchen and offices are located in North Atlanta. The fee charged for delivery includes meal setup, so let us handle the food while you finish any last-minute preparations for your event. Our arrival time will depend on whether you have requested disposable or non-disposable serving ware. We aim to have everything arranged at least 30 minutes prior to the function start time.

**Boxed Lunches:** There are two options to meet your budget: the executive packaging and the deluxe packaging. The executive packaging has a clear removable lid and allows for a better presentation of the food you ordered. It is the premium option. The Deluxe packaging has a clear-hinged lid and permits a tasteful yet basic presentation of the food.

**Hot and Cold Buffets:** The buffet setup can be disposable or non-disposable.

- Disposable setup: Food is displayed in a combination of aluminum pans and plastic trays. For plates, you have the option of either clear plastic or paper. Cups can be plastic, paper or Styrofoam. Eating utensils can either be our higher quality reflection ware (plastic that looks like silver) at an additional cost or simply prepackaged plastic cutlery kits.
  - \* The standard base option includes: paper plates, Styrofoam cups, and prepackaged plastic cutlery kits.
- Non-disposable setup: This option is available for an extra fee and allows for a nicer presentation of the food. Also, servers would either remain at the venue or return after the event to collect everything. Real china, glass and silverware are available for rent.

**Rentals:** We can provide tables, chairs, linens, china, glassware, silverware and much more. Please contact us to discuss.

**Alcoholic Beverages:** Due to Georgia law, we are not allowed to sell alcoholic beverages. We can, however, provide all mixers, condiments and garnishes.

**Labor:** We can provide bartenders, serving staff and attendants. All labor charges are per hour with a 4-hour minimum per person.
