The Partnership Information Return is composed of 3 parts:

- T5013 FIN, Partnership Financial Return, which is a 4-page form,
- All the T5013 schedules the partnership has to file, depending on the partnership's fiscal situation, and
- Information return T5013, Statement of Partnership Income, as well as the T5013SUM, Summary of Partnership Income.

For fiscal periods ending in 2013 and later years, nominees or agents will only have to complete forms T5013SUM, Summary of Partnership Income, and T5013, Statement of Partnership Income, for each partnership in which they held an interest for another person. They will no longer have to file forms T5013 FIN, Partnership Financial Return, and T5013 SCH 50, Partner's Ownership and Account Activity.
