

top 10 decorating MISTAKES

Are you unable to pin point exactly what is wrong with your home? Constantly trying new things, or so you think your trying something new, to only end up with the same result? Chances are you've made one or many of these 10 decorating mistakes.

During my consultation we identify and correct the mistakes together. A re-design can always make a great impact in how the room feels, and it can be as simple as a paint colour change, or adding some pops of colour with accessories.

The ten most common mistakes are my guiding principles in helping clients redecorate. The sooner you identify your problem areas, the quicker you can get that designer look you are after.
