

Maryland Attorney Releases Must-Have Guide for Employee Rights

“Employee Rights in Maryland” by Gregg H. Mosson, Esq.

MARYLAND (October 12, 2021) — *Employee Rights in Maryland: A Concise Guide to Knowing and Protecting Your Rights* by Attorney at Law Gregg H. Mosson is available on [Amazon](#) and via INGRAM today, Oct. 12, 2021. The book is published by Advantage Media Group.

“The perfect time to read this book is when you begin working in Maryland. The essential time to read it is when you have a problem.” And so begins Gregg H. Mosson’s succinct, authoritative review of employee rights in his home state of Maryland.

Mosson’s step-by-step guide empowers employees to take ownership of their rights by distilling complex legal doctrines and law into digestible language.

Informed by Mosson’s expansive track record fighting for workers, *Employee Rights in Maryland* offers easily understood insights about issues employees might encounter across the spectrum, such as at-will employment, the employee handbook, owed wages and salary, union matters, illegal workplace discrimination and retaliation, leave from work law, unemployment benefits, and workers’ compensation. All this in addition to more niche expertise found in stand-alone chapters on gathering and preserving evidence, court discovery, and seeking legal advice.
