

Thank you for your participation in YMHC for the 2018 season.

According to our records you have not yet registered for the 2019 season.

In order for YMHC to make informed decisions concerning divisional play for the 2019 season we need to know how many players we expect to play in each division.

If you intend to return to YMHC for the 2019 season we would greatly appreciate that you register by Friday June 14, 2019. To register – [please click here.](#)

Thanks for your co-operation in this important matter.
