

# PUGA VALLEY ICE HOCKEY DREAM

## The People

Ladakh, India

## The Dream

The children and teachers of Puga Valley  
Nomadic Residential School of Ladakh, India  
have a dream:

To play ice hockey at 14,107 feet (4,300 m) of  
altitude on the highest outdoor ice hockey rink  
in the world.

## Seedling For Change in Sport

An international network of individuals and  
organizations harnessing the spirit of sport as  
foundation for cultural diversity and  
sustainability.

## What We Are Doing

We are collecting hockey equipment for  
120 players, building an outdoor rink,  
setting up 8 teams of boys and girls ages  
7-16, and implementing a learn to skate  
and hockey training program.
