

Divorce & Mediation Law Firm
Cabanac Law Firm

February 2021

Good Morning!

In this month's edition, we share **4 of the most common divorce myths** our team has heard over the years and provided some perspective on each one. Check it out below!

We have navigated clients through countless divorces, freeing them from stress to focus on what is most important to them. We'd love to help you too.

Thank you for your support of our firm. If you know anyone else who could use the information in this newsletter, feel free to forward it on to them. If you have any questions about this month's topic, please [contact us](#) today.

Have a wonderful day!

Can Marijuana Be Used Against Me in a Divorce?

Video del Mes

¿Puede el uso de marihuana ser usado en contra mia en un divorcio?

Blog of The Month

Perhaps no other legal proceeding — save for dramatic murder cases — has been portrayed as much as divorce has in books, TV shows, and movies. Additionally, just about every adult knows someone (or is Facebook friends with someone) who has gone through a divorce. Due to these dramatizations (and second-hand accounts), many people have preconceived notions about the legal process of divorce. We gathered four of the most common myths our team has heard over the years and provided some perspective on each one. Those appear below.

1. Cheaters are at a disadvantage during divorce proceedings. Those whose spouses were unfaithful during the covenant of marriage have every right to feel angry, hurt, and betrayed. While some couples stay together through such a crisis, many opt for a divorce. Sometimes, those raw emotions spill over into the divorce process; the victims of cheating might vow to take their spouses "to the cleaners." In reality, adultery has little bearing on the divorce proceedings and final decree...
