

Divorce & Mediation Law Firm
Cabanas Law Firm

July 2020

Good Afternoon!

Many new and exciting changes have taken place here in our Law Firm in recent months!

You will notice that **the name of our firm has changed to the Divorce and Mediation Law Firm**. We have narrowed the focus of our experienced legal team to exclusively serve Divorce and Family Law clients.

Along with opening a **new office location in Weston** to be even more accessible to the local West Broward community, we are pleased to announce the launch of our **newly redesigned website**. [Take a look around](#) and let us know what you think!

Sergio has been busy filming many new videos about Divorce and Family law. He is also creating Spanish videos for all topics right now. [Check out our YouTube channel](#).

We are also happy to provide this new monthly e-newsletter. Each month you receive updates, practical tips and helpful information regarding divorce, mediation, family issues, and more!

This first edition provides you with a brief overview of how property is divided in a divorce in the state of Florida.

Thank you for your support of our firm. If you know anyone who could use the information in this newsletter, feel free to forward it on to them. If you have any questions about this month's topic, please [contact us today](#).

Have a wonderful day,

How Property is Divided in a Florida Divorce

The division of property in a divorce agreement is often the most contentious part of the divorce proceedings, especially if there are no children involved. Spouses always want to know who gets the house, car, boat, and other large items...

COVID-19 UPDATE: WE ARE OPEN AND OPERATING

Our Offices are open and working at almost full capacity as the world continues to navigate COVID-19! In order to protect our clients and staff, most appointments are conducted by Zoom or telephone, rather than in person. Courts are operating at a restricted capacity via Zoom but we are still able to move cases forward. We appreciate your cooperation and willingness to learn to communicate in new ways and with new technology!
