

How Do You Measure?

**“SUCCESS HAS NOTHING TO DO WITH WHAT YOU GAIN IN
LIFE OR ACCOMPLISH FOR YOURSELF.
IT’S WHAT YOU DO FOR OTHERS.”**

Danny Thomas

I measure success not by KPIs or accounts, but instead, by you. How we are able to build relationship with you and how we can continue to **support you**.

Not long ago, our team was able to help a client with a Relocation/paternity trial that, according to them, “looked lost before it began.” Yvette’s former attorney had recently passed away, leaving her with a short time to prepare for her upcoming trial, as the date had been set and there was no room for continuance.

Not only were we there to help Yvette and to swiftly pick up the pieces from her former attorney, but our experienced attorneys were by her side every step of the way, to defend her from a number of false and unjust accusations brought on by the opposition party.

“...when my options appeared limited and the likelihood of a satisfactory resolution seemed hopeless, he believed in me and my quest to win my case, his calm and empathetic demeanor offered emotional succor. My family and I are eternally grateful for his service and I hereby recommend Mr. Sergio Cabana and his much diligent staff without reservation.” – Yvette

This is why I started the Divorce & Mediation Law Firm | Cabanas Law Firm – To help our clients finally **find freedom** and to **escape the challenges** brought on by the divorce process.
