# I didn't think you'd remember me!

I ran into a former client, Maria, last week and I have to tell you,  
I was surprised that she had remembered me.

Maria stopped instantly and said, *"Sergio I thought that was you! I'm so glad I ran into you. This divorce that you helped me with probably over a year ago now has made so much of a difference for me. I'm now free to pursue my new career and can finally focus on me and my goals."*

*"You can have everything in life you want, if  
you will just help other people get what they  
want."*

– Zig Ziglar

**It's because of you that I do what I do.** And Maria taking the time to thank me made me realize how much I wanted to **thank YOU**. Without you, I couldn't be a Divorce Attorney. I really enjoy what I do, but without you there be no reason for me to do it.

So, I just wanted to say thanks, and if at any time in the future you need advice about a divorce, I hope you will think of me just as Maria had.
