**Divorce & Mediation  
Law Firm**  
Cabanas Law Firm

Pets provide companionship and studies have shown they also provide many health benefits, such as increasing opportunities to exercise, get outside and socialize. One thing that does not change, as the family dynamic changes, is your relationship with your pet. As a cat and dog lover myself, I deeply understand my clients' concerns when they inquire about the possibility losing their companion in the divorce.

In this video, I provide insight on how pets are handled in a divorce.
