A top-down view of a rustic, grey ceramic bowl filled with coleslaw. The coleslaw is a mix of finely shredded white and green cabbage, with small pieces of red and orange carrots and green herbs. A silver spoon is tucked into the bottom right of the bowl. The bowl sits on a red, textured cloth. In the background, a red and yellow apple is visible on the left, and a large, white, carved vegetable, possibly a turnip or rutabaga, is on the right. Several whole carrots are at the bottom right.
