

Tamara Grant, USC™ TCSS™ Home Staging Specialist

Tamara Grant, USC™ Certified UltimateStager™ & ReDesigner graduate from The Ultimate Stager Academy™ and RESA® member has had a gift for fashion, designer trends, accessorizing and home styling from her youth days, always infatuated with home accessories and lifestyle elements, creating floor plans to arranging furniture space and flow. Those that know Tamara will say she has the natural ability and talent and was "born to do this."

What makes Tamara unique is her Client Relations background at Sheridan College and the extensive business training in Project Management and Interdisciplinary Studies at York University's Schulich School of Business Executive Education Center. Prior to that, she pursued her education in Broadcast Journalism at Mohawk College, gaining a knack for public speaking, television, radio, print and communications media. Her past business background and corporate healthcare experience in Coordinator Services and Office Management duties have spanned nearly two decades, gaining ample experience working with clients, managing projects and people and dedicating herself to creating positive business experiences.

Tamara, home staging specialist at Destined Dreams further works with realtors across the province on showing them the benefits and opportunities of Home Staging in today's real estate market. Tamara can be found in publications such as *The Waiting Room*, *Homes & Land*, *Our Homes*, *Look Local Hamilton* and *The Hamilton Magazine*. Destined Dreams is also the proud Platinum winner of The Hamilton's Spectator 2017 Reader's Choice Awards for Best Home Staging Business. Destined Dreams placed second place for the 2017/2018 CHCHtv Business Excellence Awards. Most recently, Destined Dreams took home the Gold for The Hamilton Spectator 2018 Reader's Choice Awards for Best Home Staging Business. Tamara and her Dream Team of stagers take great pride in their achievements and the strides they are continuing to make in the Greater Hamilton area.

"You improve upon a product and the demand and the price goes up."
