## A little bit about me!

I started playing the hockey when I was 5 years old. I only started in rep at the Pee wee level and moved up from there ending in Midget AA as Assistant Captain of my team. Onto University, I joined the Kitchener Lady Rangers as a defenseman from 2010-2012. After graduating in 2013, I played for the Wilmot Wolverines from 2013-2014. Currently, I play in the ASHL in their men’s league. Giving back to female sports, especially hockey, was something I knew I wanted to pursue. In 2018, I joined the Oakville Hornets as an Assistant Coach for Pee wee A and in 2019, I was offered the Head Coach position of Atom AA (U11). I am currently in my second season of Head Coach of Atom AA and I’ve recently accepted a third season (2021/2022) as their Head Coach. I’m thrilled to be given the opportunity to work with Pro Hockey and I cannot wait to give these girls an opportunity to build on skill and confidence moving into the 2021/2022 hockey season.
