# WHAT'S IN YOUR CORE?

AS THE ORIGINAL 100% WATERPROOF CORE FLOOR, *we celebrate originality in others, too. That's why we have a passion for providing a wide selection of authentic natural looks, so you can express what makes you, you. With COREtec, get a floor you love – and a floor that lasts.*

## style

*We are persistent in product innovation – including micro beveled edges, enhanced painted bevels and Embossed In Register technology – to create the most appealing looks and textures available.*

## strength

*Our 100% waterproof, kidproof, petproof floors stand up to real life and then some. So naturally, all COREtec floors come with a limited lifetime residential warranty.*

## simplicity

*Our floors are easy to install, easy to care for and easy to live with. Plus, our network of specialty retailers provides pain-free service and expert advice.*

# WHAT'S IN OUR CORE?

THE SHORT ANSWER IS INNOVATION – AND WE HAVE THE PATENT TO PROVE IT.

*Many have tried to imitate our success, but only COREtec offers you true durability, comfort and easy installation – all without sacrificing style. So insist on the original.*

# THE ORIGINAL
## 100% WATERPROOF CORE FLOOR

**Wear Layer**

***Durable:*** *Robust wear layer protects against wear and stains.*

***Maintenance Free:*** *Never needs sanding, polishing, sealing or refinishing.*

**Luxury Vinyl Design Layer**

***Looks:*** *COREtec offers the widest selection of wood and stone patterns.*

***Textures:*** *Detailed embossing and beveling create the most authentic looks and textures.*

**COREtec Core Structure**

***100% Waterproof:*** *Won't warp or buckle, even if submerged in water.*

***Easy to Install:*** *Secure angle tap system doesn't require any glue or nails, and can be installed over existing floors.*

***Rigid:*** *Eliminates ripples and waves caused by uneven subfloors.*

***Stable:*** *Won't expand or contract under normal conditions. Not all floors can say that.*

**Attached Cork Underlayment**

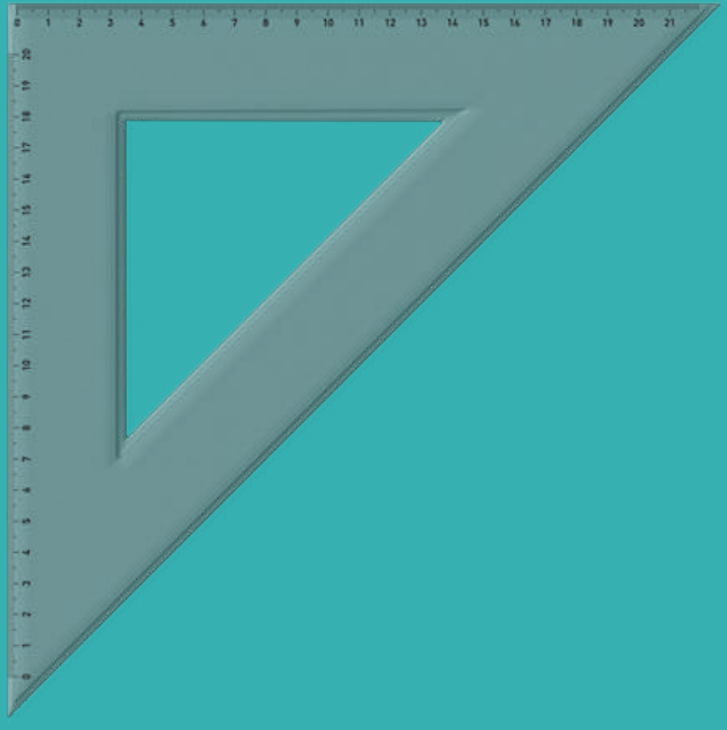

***Quiet & Warm:*** *Cork underlayment blocks out chills and noise while preventing mold and mildew.*

# WHY COREtec?

*Our patented core structure makes COREtec the original 100% waterproof, kidproof, petproof flooring by providing more rigidity, stability and comfort than glue down LVT, solid locking LVT or laminate flooring.*

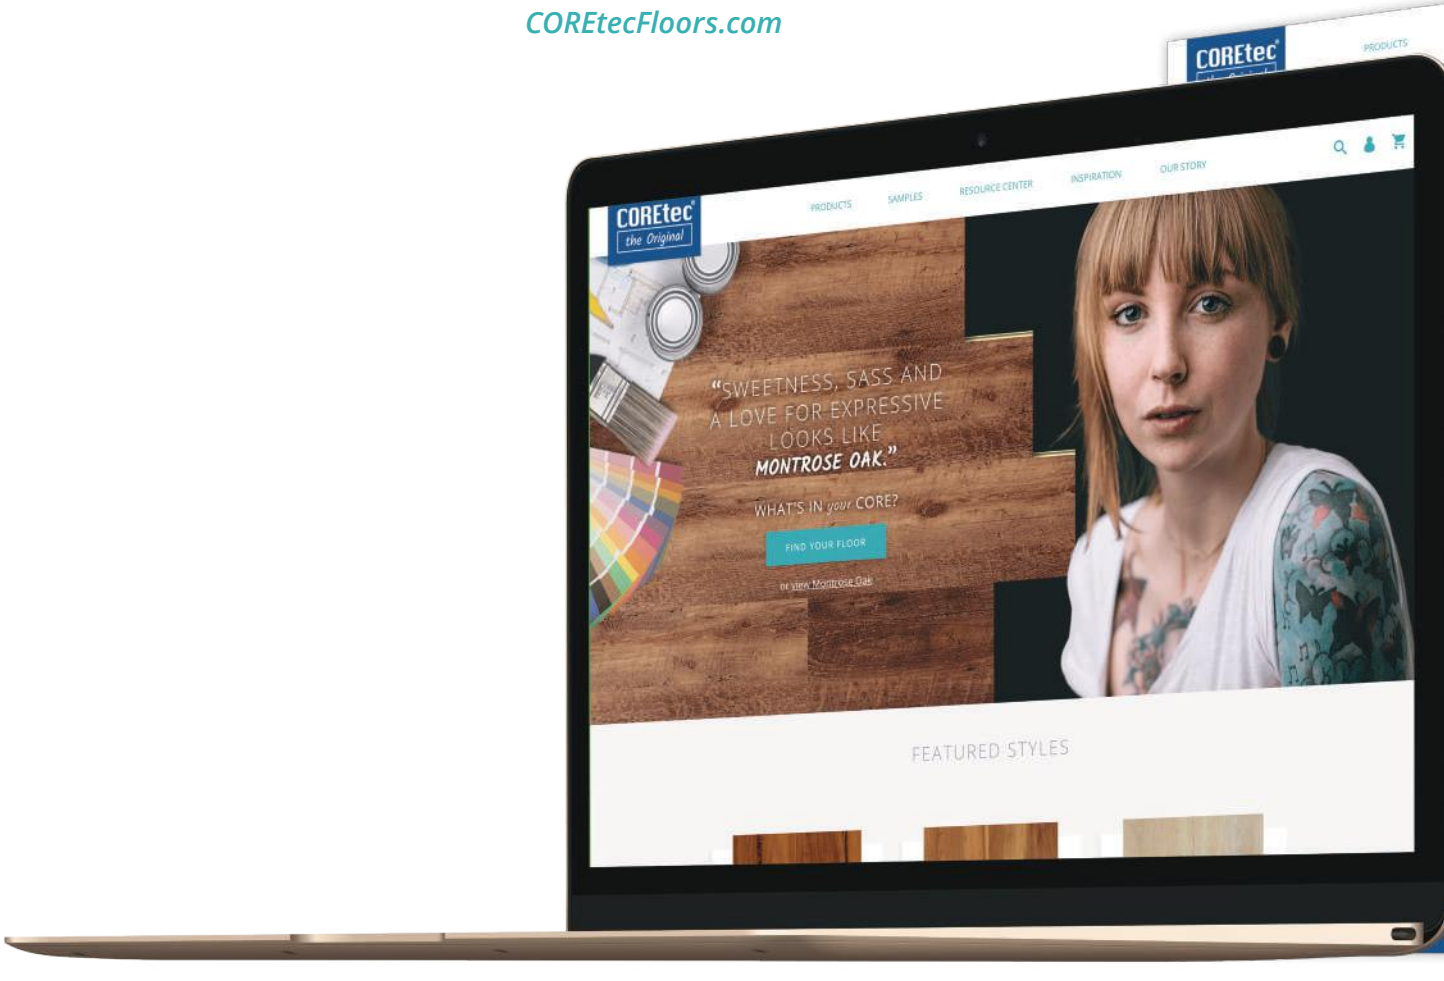

| | COREtec Plus® WPC | COREtec Pro Plus® SPC | Glue Down LVT | Click Vinyl | Laminate |
|---|---|---|---|---|---|
| Kidproof and petproof with 20mil wear layer | YES | YES | NO | NO | NO |
| Fast and easy to install without acclimation | YES | YES | NO | NO | NO |

GOLD

## ALL CORETEC PRODUCTS ARE GREENGUARD GOLD CERTIFIED FOR INDOOR AIR QUALITY.

*When purchasing new flooring, indoor air quality and chemical exposure is something everyone should consider. After all, your floor is something you live on – the backdrop for life with family, friends and even your favorite pets.*

*That's why we're proud to say all COREtec products are certified GREENGUARD GOLD. This means our floors are chemical-free and promote safe indoor air quality. In fact, not only do we meet the standards for residential use, our floors are also safe for use in schools, daycares and other sensitive environments.*

*Smoked Rustic Pine · VV031-00642*

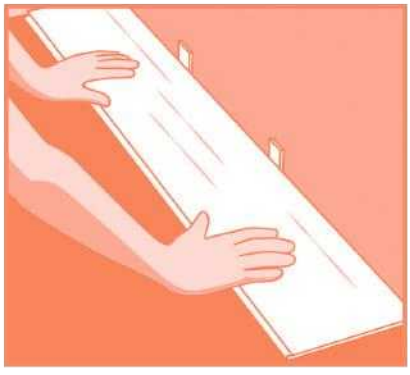

# EASIER INSTALLATION

***COREtec's Angle-Tap technology makes our floors easier to install,*** *whether as a DIY project or through a professional. Our floors lay directly over most subfloors, with very little prep. So you won't have to wait long to start enjoying your new style.*

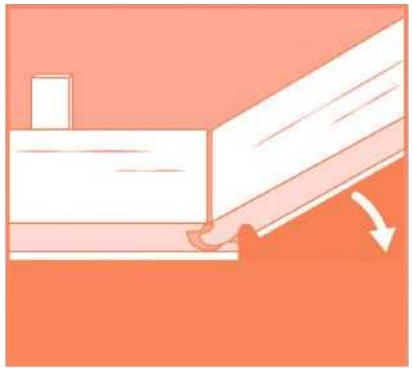

*This overview shows the basic steps needed for simple floating installation that does not require any adhesives or extensive sub floor preparation.*

FOR MORE TIPS AND HOW-TO VIDEOS,
**VISIT THE RESOURCE CENTER AT COREtecFloors.com**

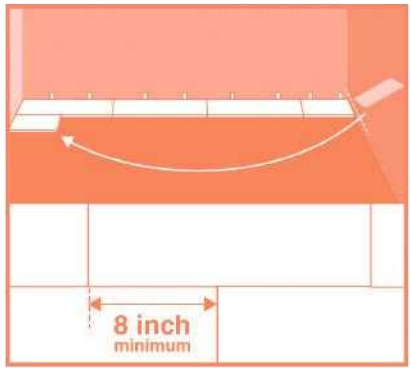

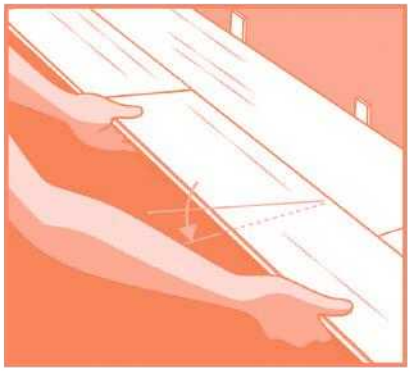

**STEP 1:** Begin installation working from left to right. Insert spacers at ends and edges where planks meet wall.

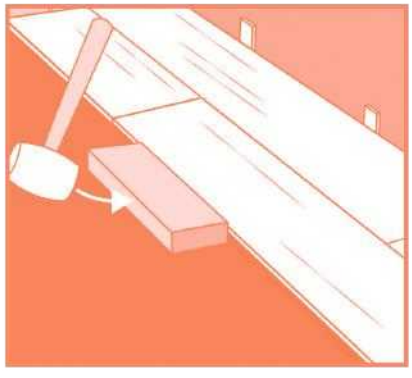

**STEP 2:** Lock short end of plank by inserting tongue into groove at an angle and drop in place. Continue to end of first row.

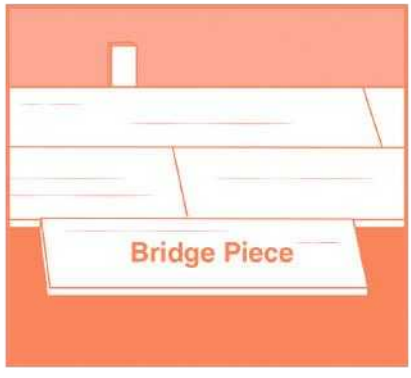

**STEP 3:** Use leftover plank from first row as starter for second row. There must be at least 8" between plank end joints on adjacent rows.*

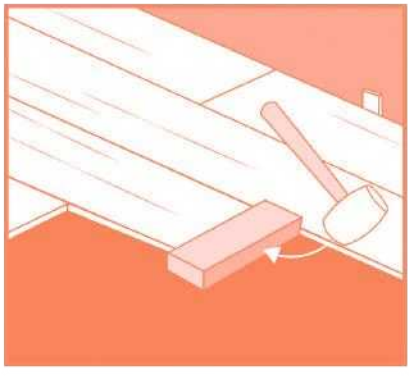

**STEP 4:** Lock long edge of plank by inserting tongue into groove at an angle and drop in place. Slide plank toward end of previously installed plank until the tongue just touches the groove.

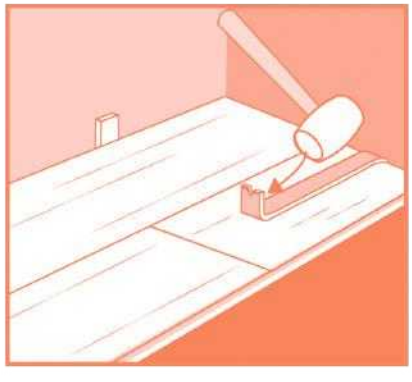

**STEP 5:** IMPORTANT! Use hammer and tapping block to tap long edge of plank to ensure a tight fit. ANY GAPPING CAN COMPROMISE THE LOCKING SYSTEM!

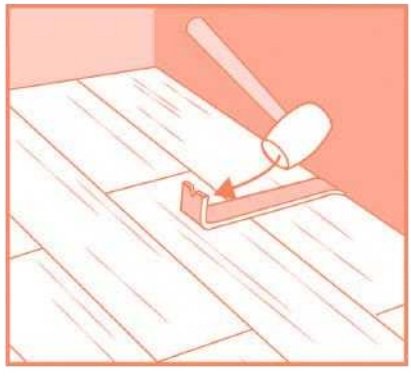

**STEP 6:** Attach a scrap piece of floor to bridge gap between ends of planks. *FOR TILE INSTALLATIONS: The distance between end joints should be equal to 12" for proper appearance.

**STEP 7:** Tap end of plank with hammer and tapping block to lock ends of planks together. Remove bridge and continue towards wall until installing the final plank in the row. BE SURE TO TAP ON EDGE OF VINYL SO AS NOT TO DAMAGE LOCKING PROFILE.

**STEP 8:** Use hammer and pull bar to lock final piece in row. Insert spacer at end of row. Continue installation to final row.

**STEP 9:** Use hammer and pull bar to lock long edges of planks on final row.

# SIMPLER

## CLEANING & MAINTENANCE

***COREtec floors are engineered for simplicity – they handle whatever real life throws, spills, drops or tracks their way with minimum care.***

- *Simply sweep or run a dry dust mop over it to get up the dirt, dust and grit.*
- *For a more thorough clean, we recommend COREtec Encore Care For Luxury Vinyl Flooring. You'll want a pH neutral cleaner, so nothing with a floor polish or detergent in it. Follow label instructions.*
- *Do NOT use treated dust mops as they may leave a residue behind which can dull your floor over time.*
- *Steam mops are NOT recommended, as the heat can cause the vinyl layer to curl up and peel off.*

**WARRANTY INFORMATION**
Strength is built into every COREtec floor. Below is a summary of the Lifetime Warranties provided for COREtec Plus collections. COREtec One products are covered by a 25 year residential wear warranty, and COREtec Pro Plus products have a 15 year commercial warranty. Full warranty information can be obtained from your COREtec retailer or at COREtecFloors.com.

**LIFETIME LIMITED RESIDENTIAL WEAR WARRANTY**
The vinyl layer of the floor plank is warranted by COREtec® not to wear through under normal use for the life of the product. Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation. (Gloss reduction or surface scratches are not considered surface wear.) Dull finish can be corrected with spot or overall recoating care systems. If 100% vinyl layer wear-through is determined to have occurred, COREtec will arrange a pro-rated credit based on the terms outlined below in the section headed "Terms of Lifetime Limited Warranties". This warranty is non-transferable and applies only to the original purchaser.

**LIFETIME LIMITED STRUCTURE WARRANTY**
The floor plank and/or tile is warranted to be free from manufacturing or material defects for the life of the product. Should a defect occur, COREtec will arrange a credit based on the original purchase of the product. Should a problem attributable as a manufacturing defect develop after flooring is installed, the cost of labor for repair will be covered by this warranty. This warranty is not transferable by the purchaser of the floor.

**LIFETIME LIMITED WATERPROOF WARRANTY**
The floor plank or tile is warranted to be 100% waterproof and the structural integrity of the floor plank or tile will not be significantly diminished by exposure to water for the life of the product. While moisture will not affect the floor's integrity, it is probable that, when excessive moisture accumulates in buildings or on building materials, mold (and/or) mildew growth can occur (particularly if the moisture problem remains undiscovered or unaddressed). COREtec moisture warranty excludes damage resulting from mold and/or mildew growth due to prolonged exposure to moisture. If the floor plank or tile is structurally impugned, resulting from exposure to water, COREtec will arrange a pro-rated credit based on the terms outlined below in the section headed "Terms Of Lifetime Limited Warranties". This warranty is not transferable by the purchaser of the floor.

This Lifetime Limited Waterproof Warranty excludes all casualty events involving water coming in contact with your floor and failures normally covered by homeowners insurance including, but not limited to, damages caused by flooding or standing water from leaky pipes, faucets, or household appliances. Also excluded are damages caused by flooding or standing water from hydrostatic pressure or other casualty events.

**LIFETIME LIMITED PETPROOF WARRANTY**
COREtec warrants that your COREtec Plus® luxury vinyl floor will resist staining caused by pet (domestic cat or dog) stains, including urine, feces, and vomit. Stain resistance means the ability of your floor to resist (i.e., minimize or withstand) permanent stains for as long as you own your floor. Cleaning of the affected area should begin immediately upon discovery. The more time that elapses before removal, the more difficult a stain will be to remove.

**10 YEAR MEDIUM COMMERCIAL LIMITED WEAR WARRANTY**
The vinyl layer of the floor plank is warranted by COREtec not to wear through under normal medium commercial use for a period of ten (10) years from the date of purchase. Vinyl layer wear-through is defined as 100% vinyl layer wear-through that exposes the core material over a minimum of 3% of the total installation. (Gloss reduction or surface scratches are not considered surface wear.) Dull finish can be corrected with spot or overall recoating care systems. This warranty is non-transferable and applies only to the original purchaser and only if used in the following commercial areas:

- Retail: Novelty Shops/Boutiques, Product Display Areas, Sales Floors, Showrooms, Hair Salons, Hallways, Entryways (walk off mats required)
- Medical Offices: Waiting Rooms, Patient Rooms, Examination Rooms, Storage Rooms, Hallways, Entryways (walk off mats required)
- Hotels: Guest Rooms, Conference/Meeting Rooms, Lobby
- Offices and Restaurants: Offices, Conference/Meeting Rooms, Showrooms, Restaurant Floor, Break Rooms
- Institutional: Classrooms, Training Rooms, Meeting Rooms, Common Areas, Residence Halls, Hallways
