Host of the award-winning “Hit Magazine” weekly radio show.

Voice actor for Classic Radio Theatre Live series.

Comedy Actor in “Fox-Paw” weekly radio series.

Backstage Announcer at business conventions in Dallas, Albuquerque, St. Louis, and many more with MDE Productions.

Seminar presenter for INC Productions.

Currently Morning Personality and Program Director at the legendary KOMA, Oklahoma City since 1988.

Host and producer of “Totally Awesome 80s” syndicated through the Fishnet Syndication Radio Network.

Guest teacher with Bettye Zoller in Dallas and Oklahoma City voice over training workshops.

Studio Equipment

My studio is equipped with a MacPro dual quad core computer and Logic Studio software, M-Audio ProFire 610 interface, Peavey reference mixer, AT-3035 large diaphragm condenser mics, Event-8 reference monitors, Sony headphones, Auralex sound treatment, Symetrix 628 digital voice processor, isolation booth, and a separate monitor for ADR recording. I also use a MacBook Pro with Mbox interface for recording on the road as needed.

Additional Skills

I am an audio engineer and video producer/director. I record and produce other voice talents for their projects including audio books, commercials, business narrations, and network radio programs.

I am a film and television actor (SAG eligible) and have hosted live television, stage presentations, and have supporting roles in several feature films.
