*Links will be e-mailed by September 8, 2020.
School will start on September 12, 2020.*

We reserve the right to accept students and to cancel classes.

Covid-19:

Reidmount will go virtual learning until December and will assess the situation term by term.

If school reopens in January and 80% of registered students are comfortable returning to the classroom, we will move back to classroom teaching. At that time, those students who do not wish to attend classroom teaching will receive the lessons by e-mail; and there will be no refund or credit given.

For classroom teaching, classes will start ½ hour later. Therefore, 9 am class will become 9:30, and 10 am class will become 10:30 and so on

Homework requests:

- 1) Requests and pickup are handled by office on Saturday
- 2) Students are entitled to 2 free lessons and 2 paid lessons at \$3/subject/lesson
- 3) We do not e-mail lessons
- 4) We do not have future homework in the office unless pre-arranged.

Assessment:

- 1) The entrance assessment is \$10/subject and this will be deducted from the tuition fees upon registration
- 2) The level assigned is final
- 3) If parents wish to have their children re-assessed, there is an admin charge for \$30/subject

Tests/exam

- 1) Must be completed in the school on the test date or the previous Saturday.
- 2) Advance tests/exam must be pre-arranged on Saturday, and this will be counted as one homework request.

Withdrawal:

Written notice is received:

- 1) 7 days prior to the start of school: a refund less \$50/subject will be given. Refund cheques will be mailed out in 3 weeks.
- 2) within 7 days before the start of school: a credit less \$50/subject is saved towards future tuition fees. This credit is valid for family members and cannot be transferred.
- 3) on the first day of school or after school has started: no refund will be processed.

Transfers:

\$50 admin charge for transfers of:

- location
- subject
- time

Move-up exam:

During the course of the school year up to Test 1, parents can request a move-up test for \$50/subject. Students need to complete the test of the next level with a 65% score in order to be promoted. Move-up exams need to be pre-arranged with Office.

Make-up exam:

Students who fail in the June exam can do a make-up exam on the second class of the new school year. Students have to score 65% in order to be promoted. There will be a charge for \$50 and this has to be pre-arranged with Office.

Payments:

- 1) We accept cheques.
- 2) \$25 will be charged for return cheques.

Cancellation of classes

- 1) Cancellation can happen due to inclement weather, or use by the day school or other emergency situation.
- 2) In the event of inclement weather, it is the responsibility of parents to visit our website at reidmount.com or that of the school board to see if school is open. Local radio and television stations will announce as well for inclement weather.
- 3) We will make every effort to make up the missed class.

Registration:

- We do not give out previous lessons.
- Students will start school the following week after registration

Discounts:

Early bird registration is offered every April, or July of 2020:

- 1) Cheques can be post-dated to the deadline of early bird registration
- 2) Family discount:
 - A \$100 family discount for families registering for 6 subjects or more
 - A \$150 family discount for families registering for 9 subjects or more
 - A \$200 family discount for families registering for 12 subjects or more
 - Family discounts will not be applied for registrations from November to June.

Coding:

Is managed by a third-party vendor 'Reidmount Discovery School (RDS)'. Please make payment to RDS. Fees paid are not transferrable to our program or vice-versa.
