SKIN CARE

SPA FACIALS

Spa Facial (For Her or For Him) 60 min | \$129
As you relax, your skin is treated with cleansers, exfoliants, creams and a mask customized to suit your specific skin needs. Includes a 10 min scalp massage.

MEDICAL FACIALS

LPG Facial 60 min | \$169
Medical facial that uses rhythmic pulses and gentle vacuum suction to stimulate cellular activity in face and neck. The results are; smoother skin, reduced wrinkles, firmed jawline and brightened complexion.

Gold Mask Facial 60 min | \$169
Uses 24 karat gold dust for an immediate tensing effect on the skin. Reinforces, lifts and boosts luminosity. Maintains optimal skin condition and increases hydration.

OxyGeneo Facial 60 min | \$169
Combines an oxygen facial, a mineral infusion and a completely sterile form of microdermabrasion into one treatment. Experience softer, brighter and smoother skin with zero downtime.

Nutridermie LED Facial 60 min | \$169
Using LED therapy and magnetic infusion technology, this treatment decreases dark circles, firms skin and provides a moisturizing boost.

Vitamin C Facial 60 min | \$169
SKINCEUTICALS medical skincare provides a results-targeted treatment. After a cleanse, tone and exfoliation, we use an AHA peel, vitamin C mask and antioxidant application.

HydraFacial 60 min | \$189
This superfacial combines a peel, vortex fusion extraction and hydration infusion. Uncover a new layer of skin with a medical peel for gentle resurfacing, a painless suction to remove debris from pores and an infusion of antioxidants & peptides to leave your skin glowing.

Valmont Facial 60 min | \$189
VALMONT is our luxury DNA-based, anti-aging cellular skin care line. This facial offers an intense cellular boost and skin rejuvenation. Incorporates massage and relaxation techniques.
