Dear JOMAR ABEGAIL MOLINA,

The processing of your application for permanent residence in Canada is almost complete. You must complete the following steps **within 30 days** in order for our office to issue your Confirmation of Permanent Residence and, if applicable, your permanent residence visa. If for any reason you are not able to meet this deadline, please inform our office **immediately** via the IRCC Web Form: <http://www.cic.gc.ca/english/contacts/web-form.asp> with details concerning your situation.

Due to the current situation regarding the novel coronavirus, if you are unable to provide the requested documents by the due date, please advise our office. We understand that some documentation may be unobtainable at this time. Your application will not be refused because you are unable to provide the requested document on time.

**Important notice:**

To protect Canadians from COVID-19, travel restrictions and pre-departure COVID-19 testing requirements are now in place for individuals travelling to Canada. Please consult [How COVID-19 is affecting immigration, refugees, citizenship and passport services](#) for the latest information before making any travel plans and again before departing for Canada.

**It is your responsibility to keep yourself informed of any changes to the travel restrictions to Canada by going to [Find out if you can travel to Canada](#)**
