Mr. Richard Anderson
Newbern Excel, Inc.
1600 E. Pioneer Parkway #343
Arlington, TX 76010

Dear Mr. Anderson,

Thank you so much for the abundance of items Newbern Excel, Inc. donated to the Arlington Life Shelter on 2/11/19. Your donation of cleaning products, toiletries, paper goods, disposable cutlery, bottled water, cereal, computer parts, and much, much more was unbelievable generous and very much appreciated by the shelter and our residents. Items such as these are critical in caring for the over 80 residents we fed and shelter each night; many of which are children and their families.

Because of your generosity, many of our homeless neighbors now have renewed hope. This includes mothers like Jennifer.

Jennifer is a single mom trying her best to raise her son, 13-year-old Cameron, entirely on her own. But with no job, no car and no place to call home, this has been a real challenge.

After hearing so many good things about the Arlington Life Shelter, Jennifer decided to sign up to become a resident. Within days of their arrival at the Shelter, Jennifer found a new job, and renewed hope. As she prepares for each workday, she's thankful beyond words knowing that her son has a safe place to stay while he's on summer vacation.

"I don't even know what to say," she says, grateful for your support. "If you can make a 13-year-old see that it's going to be okay coming to a place like this, it makes every bit of difference."

Because businesses like Newbern Excel, Inc. give to the Arlington Life Shelter, homeless children and families in our community have the opportunity to thrive. Thank you so much for your generosity!

Gratefully,

Becky Orander, MSW
Executive Director
