Mr. Luis Pitarqui
IMPERIAL COMMUNICATIONS
900 Paulison Ave
Clifton, NJ 07011

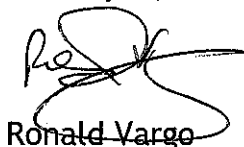

Dear Luis:

I wanted to take this opportunity to thank you and Imperial Communications for all the work that was performed for me at:

- 101 Center Street, Clifton NJ 07011
- 430 Lexington Avenue, Clifton, NJ 07011
- 235 Parker Avenue, Clifton, NJ 07011
- 237 Parker Avenue, Clifton, NJ 07011

The 34 cameras your company installed at my buildings has made my life much easier. I am able to view live activity at all my buildings in a matter of seconds. I can view my buildings from my I phone or my desktop computer. This has allowed me to run my day more efficient and effective. I also want to mention that the staff at Imperial Communications has been very helpful and professional. I am very happy with your organization and would be very confident to recommend your firm. If any of your future clients would like to speak with me my phone number is 973-779-1101 ext 201.

Thank you,

Ronald Vargo
