

RAPID X PTS

FIRST RESPONDER SIGNAL

Start stopping traffic in one minute.

YOUR FIRST LINE OF DEFENSE.

Designed for mobility and ease of use, the Rapid X Portable Signal System will signalize a standard 4-approach intersection. The system deploys easily with one person, and provides up to 5 days of autonomous run-time. The controller allows for 2 or 4 phase operations with easily adjustable times. The signal heads are standard 12" LED. When fully deployed the system is 12' for max visibility.

ROI

NO NEED FOR EXTERNAL POWER
NO NEED TO "MAN" THE TRAILER

EASE
