## TRIPLE X PLAYGROUND: Best Icebreaker Game to Get a Swinger's Party of 4 Started!

The hardest part of hosting a great party is getting it started, am I right?

At most social gatherings, the guests have a tendency to just stand around, waiting for the host to make a move. If you're the host of a swinger's party, the best way to get people mingling and get the party going is to introduce a few icebreaker games.

**Jenny, Why Games?**

Because games are especially great for a new couple that is just getting started into the [swinger lifestyle](#), as it helps to pull them out of their comfort zone and get them into the action, which typically results in them having a great night with you and your swinging partner.

There are several sexy [adult games](#) you can play to kick-start your intimate swinger's party with just one couple, or many couples...The most important thing is that you select games that will work well with the number of guests present at your party. If the group is large, card games may not be ideal as they can be slow and keep people out of action for too long. Not everyone will participate in the games, so for those who choose not to participate, the games you select must be entertaining for them to watch.

**Most Common & Very BORING Swinger's Party Games**

I've attended my fair share of swinger's parties over the past couple of years, and the games that come up the most are:

### 1 - Truth or Dare

I mean this game is okay and all when you're in high school, but it's very lame when you're an adult trying to have sex with another couple...it's just not for me I guess..I cannot recommend this game for any swinger event.

### 2 - Spin The Bottle

Again, I have seen couples play this at a swinger's party trying to set the mood, but honestly, spin the bottle should only be played by teenagers who are trying to get their first "French kiss"...Once again, I cannot recommend this game for any swinger event.

### 3 - Naked Twister

I've played "Naked" twister at a few swinger parties in the past, and honestly, it didn't really get anyone horny...it was very lame, and I do not recommend anyone play any version of Twister if they're trying to have sex with someone's spouse at a swinger's party.

### 4 - Couples Speed Dating

**OLDER MEN ARE USING THIS FOR THEIR MANHOOD**

This is a really good way to get people interacting with each other...but for this game to actually work you need a LARGE group.this game will NOT work well if you are just two couples trying to break-the-ice and set the mood for a night of wife-swapping action!

Jenny, What is the BEST Game that Leads to Wife-Swapping Sex?

So this past weekend my guy friend Sean and I hung out with just one other couple because EVERYTHING is closed where we live due to COVID-19 restrictions, and thanks to [TRIPLE X PLAYGROUND](#), what I thought was going to be a lame night of watching NETFLIX programming instead turned into a small orgy...and my friend Sean who has never had a threesome, participated in his first foursome...once again thank to TRIPLE X PLAYGROUND!

I highly recommend playing TRIPLE X PLAYGROUND if you and your partner want to break-the-ice with another potential swinging couple because this game is so much fun and really allows you let your inhibitions run wild!
