

WEDDING MUSIC PLANNING CHEAT SHEET

Introduction

Firstly, we would like to congratulate both of you on your engagement. You and your best friend are about to embark on an amazing journey together.

This is an exciting time in your lives and there is a great deal of planning. Time will creep up on you very swiftly. The best advice we can give you is **“Don’t Stress! Everything is gonna be alright!” & “Don’t let time go bye.”** Most weddings never run-on schedule or according to plan. We are flexible to make sure your wedding is as smooth as possible.

What puts us above the bar is we at Bawse Entertainment take your visions, your ideas, your dreams and turn them into one epic night.

All of this is possible by using our wedding planning cheat sheet. It will help you with selecting music for your ceremony and or reception.

No two couples are alike, neither should their wedding. We can plan a traditional wedding, a more modern wedding, or a unique and custom wedding. The choice is yours.

Selecting a DJ is no easy task. After everything is said and done, they say people will remember two things from a wedding.... The food and the entertainment. It will be our greatest pleasure to work with you and yours to create the dream wedding that you’re looking for.
