

## Briefcase Tabletop Displays

### Self-contained, portable display case.

Carry your message everywhere! Our entirely self-contained briefcase displays are exactly what you need when you're always on the go. These unique presentation systems set up in seconds with generous display areas and arch top headers. Graphics conveniently attach in seconds. Walk in with our briefcase displays and make your next presentation an open and shut case. Professional appearance, self-packing and compact.

- Image Area is 48" wide x 24" high
- Four panels attach with hook and loop; arched header rests at top
- After presentation, display folds back into a briefcase with attached graphics in place
- Lockable latches keep presentation safe and sound during transport
