

Custom POP/POS Displays

Create a custom POP/POS display for any type of product. Custom displays can range from small counter top displays up to large floor displays. With an array of rigid substrates that are capable of various assembly styles, we can customize to any need. Even personalize with printed graphics and accessories. Megagrafix is committed to helping with any project, any quantity and any size.

- Innovative and effective structural and graphic ideas
- Ease of assembly and durability
- Well suited for businesses with limited space
