

Cut-Outs

A great way to generate photo-op's for social media!

Cut-Outs, similar to Standees, are not typically a character, but rather an interactive display. Created to allow customers to become involved with the cut-out, whether it's hold a piece against the background or place your head in the cut-out hole. Cut-Outs become a great piece to promote your products.

- Impressive way to create brand awareness and interaction
- Lightweight and portable
- Completely customizable and available in any size or shape
- Easy to set up
