

## Outdoor Signage

The right signs to increase business visibility

Get your message across to potential customers with custom outdoor signs. Outdoor signs come in a variety of materials, shapes and sizes. Our most popular sign materials include Coroplast, APanel, Alupalite and Aluminum. Outdoor signs are durable and can withstand harsh weather conditions. With various finishing techniques, our signs can be created for your customers' needs.

- Various materials available – Coroplast, APanel, Alupalite, Aluminum
- Any size, shape and quantity
- UV printed inks
- Additional clear coat laminate available
- Variety of finishing styles available – drilled holes, rounded corners, perimeter trim
